RESPONSE TO FINAL OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is submitted in response to the Office Action mailed 8/31/04 (a revision of a previous office action mailed 8/10/04 that contained an inappropriate 112 rejection that was removed in the 8/31/04 office action).

The examiner, Examiner Wyrozebski, and the examiner's supervisors, Examiners Cain and Jagannathan, are thanked for their courtesy and cooperation in correcting the Office Action mailed 8/10/04, that contained an inappropriate Section 112 rejection that appears to have arisen because of a clerical error in entering Applicant's previous response and corrected response in reverse chronological order into the PTO's computerized database.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it contains a valid OMB control number.
